

# Milton Bradley Award

## 2025

## GENERAL NASH DISTRICT

Who in your Pack, Troop, or Crew is the person that creates a spark to make everything go? Always working behind the scenes to overcome challenging situations. This Award acknowledges their ability to save the day and guide our Scouts, fellow leaders and families. Each Unit has that one person who meets these qualifications and creates the fire and drive in your Unit. Let him or her know that you appreciate what they have done for everyone by nominating them for their efforts. Remember, all members of a Unit can make nominations, but only one person from each unit will receive the award.
