

# George Senderling Award

**George Senderling has been in Scouting nearly all his life. With over 80 years in Scouting, George continues to give back to today's youth.**

**In his honor, we have established the George Senderling Award which is to be given to a registered Scouter who, over many years has given time and energy to the Scouting program but has not been recognized at the District or Council level.**

**This award is meant to honor those, who like George, have enthusiastically given a large portion of their life to Scouting.**

**Please make your nominations using this form and include a thorough history of your candidate's qualifications for the award. Return this form no later than the March Roundtable or email before then to Jacqui Prince at [jinorton83@gmail.com](mailto:jinorton83@gmail.com) so our committee can select a recipient.**
